Global Standards & Certifications

Featherlite is a member of BIFMA and is one of the leading Indian brands offering environmentally sustainable products as per ANSI/BIFMA e3-2014 standards. BIFMA compliance gives manufacturers, suppliers, architects, designers and government agencies a benchmark for production of sustainable office / institutional furniture and seating products. This mark establishes performance criteria that address environmental, economic and social aspects throughout the supply chain.

Our commitment towards quality industrial practices, environmental and social impact

Green Guard Gold certification from UL Environment indicates that material process or finished product meets extremely rigorous standards for low emission of volatile organic compounds (VOCs)

Sustainability Initiative & Solar

Featherlite, besides being a leading Furniture Manufacturer in India is also a responsible Corporate Citizen. The Company is one of the first manufacturing unit in the state of Karnataka to not only sign an MOU with the State Government but also to implement and generate 1 MW Solar Rooftop Photovoltaic system (SRTPV) on an industrial building. Sustainability is deeply embedded in Featherlite's design and manufacturing ethos. The company uses responsibly sourced materials, low-emission finishes, and operates solar-powered factories — including 3 MW of rooftop solar installations — to significantly reduce its carbon footprint.

Featherlite Furniture publishes its GHG Emissions Inventory Report annually and discloses climate data through CDP each year. In 2024, the company achieved a B in the CDP SME Climate Score— the highest possible rating for small and medium enterprises. Featherlite has also aligned its ESG performance with 13 prioritized UN Sustainable Development Goals, reinforcing its commitment to sustainable and responsible growth.
